

Cold Shot

Chords & Lyrics – Stevie Ray Vaughan

Guitar Tuned Down 1 fret (optional)

Intro – Am

Am

Once was a sweet thing, baby - Held that love in our hands
But now I reach - to kiss your lips - It just don't mean a thing

Dm Am

And that's a cold shot baby - Yeah that's a drag

Dm E7 Am

A cold shot babe - I've let our love go bad

Remember the way that you loved me - Do anything I say

Now I see you - out somewhere - You won't give me the time of day

Dm Am

And that's a cold shot girl - Yeah that's a drag

Dm E7 Am

That's a cold shot babe - We've let our love go bad

Break – Am-Dm-Am-Dm-E7-Am

I really meant I was sorry - For ever causing you pain

You showed your appreciation - By walking out anyway

Dm Am

And that's a cold shot baby - Yeah that's a drag

Dm E7 Am

A cold shot babe - I've let our love go bad

E7 Am

So sad... Too bad... So sad...
