TUNING:

Standard Tuning

Intro:

Am Am7 **C** **D5 D D5** X6
(Yeah)

Verse 1:

Am Am7 **C** **D5 D D5**
Well the night that I got into town,
Am Am7 **C** **D5 D D5**
Was the night that the rain froze on the ground.
Am Am7 **C** **D5 D D5**
Down the street I heard such a sorrowful tune,
Am Am7 **C** **D5 D D5**
Comin' from the place they call the Spanish Moon.

(Hit it)

Verse 2:

Am Am7 **C** **D5 D D5**
Well I stepped inside and stood by the door,
Am Am7 **C** **D5 D D5**
While a Dark Girl Sang and played the guitar.
Am Am7 **C** **D5 D D5**
There Was hookers and hustlers, filled up the room,
Am Am7 **C** **D5 D D5**
I heard about this place they call the Spanish Moon.

Verse 3:

Am Am7 **C** **D5 D D5**
One false step you get done in,

Am Am7 **C** **D5 D D5**
It's a cold situation.
Am Am7 **C** **D5 D D5**
Don't care who, you could all face ruin,
Am Am7 **C** **D5 D D5**
You could lose it all down at the Spanish Moon.

Chorus:

Am Am7 **C** **D5 D D5**
Whiskey and bad cocaine,
Am Am7 **C** **D5 D D5**
I hear that poison get you, just the same.
Am Am7 **C** **D5 D D5**
And if that -- that don't -- kill you soon,
Am Am7 **C** **D5 D D5**
The women will down at the Spanish Moon.

Instrumental:

Am Am7 **C** **D5 D D5** X6

Verse 4:

Am Am7 **C** **D5 D D5**
Well I pawned my watch and I sold my ring,
Am Am7 **C** **D5 D D5**
Just to hear that girl singing (Ooh Who).
Am Am7 **C** **D5 D D5**
I don't care who, you could all face ruin,
Am Am7 **C** **D5 D D5**
You can lose it all down at the Spanish Moon.

Chorus Refrain:

Am Am7 **C** **D5 D D5**
Whiskey (yeah) and bad cocaine,
Am Am7 **C** **D5 D D5**
Poison get you just the same,
Am Am7 **C** **D5 D D5**
And if that -- that don't -- kill you soon,
Am Am7 **C** **D5 D D5**
The women will down at the Spanish Moon.
